INSIDE / **IRIS CONNECT**

A UNIQUE SERVICE WORLDWIDE

IRIS CONNECT is a unique service to offer a universal, secure exchange interface that is accessible free of charge to external collaborators and 100% tailored to the practice of dentistry.

 Manage your contacts, your team, your messages, your orders, share and collaborate worldwide.

Maximum security

- › Secure sharing environment.
- › ISO 27001 and HDS certification.

Custom team creation

- › Create your team as an administrator.
- › Manage roles tailored to your organization; access rights to patient files and discussions:
 - for your collaborators.
 - for your assistants.

Instant messaging

- › Automatic message management.
- › Smart notifications.

 Dedicated discussions forum:

- for your orders.
- for private discussions.

Easy order management

- › Automatic forward of offline orders.
- › Order status.
- › Status update notifications.
- › History of exchanges.

Unlimited collaboration

- › Exclusive IRIS BY STARCK® network directory.
- › Integration of your external contacts.
- › Universal file format (STL).
- › Secure external web interface.

YOUR COMMUNICATION HUB

All your exchanges are **updated in real time**. Whether you're in the office, on the road, or abroad, your account stays connected to your contacts, orders, and team.

The "Discussion" tab allows you to exchange, discuss, and follow automatic updates to your orders in dedicated discussion threads.

My messages by order

Dedicated discussion spaces for each order and automatically updated patient file history.

My private messages

Create individualized, secure and private discussions with your colleagues, just like normal messaging.

EXTENDED CONNECTIVITY

Use the search bar to quickly find a professional, an order or a chat.

Can't find your contact? Enter their email address in the search bar to send an invitation. They will receive activation codes to join the free IRIS CONNECT web interface, even without a license.

COLLABORATIVE MANAGEMENT

The "My Team" tab allows you to add different members to your organization. Assistants and collaborators contribute directly to the treatment of your patients.

👤 Assistants

Create one or more "Assistant" accounts to allow them to perform certain tasks on your behalf : scanning, completing patient files, sending orders, or participating in discussions.

💡 Stay in control

Rights	None	Reading	Writing

Choose who does what.
Set up customized access rights.

👤 Collaborators

Collaborators have access to the shared patient file and can work on the relevant order. Add any laboratory in the world for treatment that is increasingly tailored to your needs.

Secure external access

Your external collaborators who do not have an IRIS BY STARCK® license can view and discuss orders via a free and secure portal.
