CUSTOMIZE YOUR IRIS BY STARCK®

Easily tailor your IRIS BY STARCK® experience to suit your needs.

CHOICE OF LANGUAGE AND FAVORITE THEMES

Choose the language in which you want to use IRIS BY STARCK®.

Adapt your display theme to your environment to ensure maximum visual comfort (light or dark).

AUTOMATIC STANDBY

Set an idle time from the list provided before the application automatically logs you out and asks you to re-enter your password to access it.

If you select "Never", remember to log out manually if you are away from your computer.

EMAIL NOTIFICATIONS

Enable or disable email alerts to track order status changes at your own pace.

UNLIMITED CLOUD BACKUP

Activate and **back up your patient data for free on the IRIS BY STARCK® cloud** dedicated to your account, protected by HDS and ISO 27001 security.

You must be connected to the internet to use this feature.

If you disable it, data will only be backed up on your computer.

CONNECTED ACCOUNT

Log in to IRIS BY STARCK® **on any PC using your license number and login details**. Enable this feature to retrieve all your usual IRIS data, whether you are at your practice, in the clinic, or anywhere else in the world.

Are you logged in on several different PCs ? If the "Connected account" option is enabled, the identification number (ID) of each order and each scan automatically includes the number of the computer on which it was performed (PC1, PC2, etc.).

OPTIMIZE YOUR SCANNING EXPERIENCE

Tracking options

Areas to be completed

Automatic zoom

Enable or disable the tracking option when scanning: an audible signal is triggered when tracking is in progress. You can also zoom in on the model when movement slows down.
